

Dear Barbara:

My name is Ben Brands and along with my wife Christine Brands, we own 2802 Kokomo Loop, Haines City, Fla. 33844, in Southern Dunes and we would like to receive a user names and password for the HOA website. At this time I would also like to commend yourself, your firm, and the HOA Board executive for the excellent job everyone appears to be doing to maintain the very high standards that Southern Dunes exhibits. When we attended the HOA meeting in May we were very impressed with the dedication and abilities of all involved. We look forward to many years of enjoying our home in such a beautiful and vibrant community.

Thank you

Ben Brands
